LIFT-N-LOC™ ARTICULATING KEYBOARD MANAGER FOR CORNER RADIUS WORKSTATIONS

- Features a radius-style platform and a 21" slide to fit a variety of corner workstation applications
- Offers superior ergonomic adjustment capabilities to help achieve a more comfortable workspace
- Full-length padded wrist rest designed to increase mousing comfort
- To adjust height, just lift and move the tray – no knobs or levers to mess with!
- Features an 8" height adjustment, 360 degree swivel, and a 30 degree positive / negative tilt range
- Height and tilt adjustments work to help keep wrists straight while keying
- Includes cable management slots for the mouse and keyboard
- Low profile design gives more leg room
- Durable 28" wide phenolic platform designed for mousing on the right or left side
