LIFT-N-LOC™ SIT-STAND ARTICULATING KEYBOARD MANAGER

- Positions above the desktop for keying while standing, or below the desktop for keying while sitting
- Offers superior ergonomic adjustment capabilities to help achieve a more comfortable workspace
- To adjust height, just lift and move the tray – no knobs or levers to mess with!
- Features an 12" height adjustment (6" above or below the work surface), 360 degree swivel, and a 30 degree positive / negative tilt range
- Height and tilt adjustments work in combination to help keep wrists straight while keying
- Glides in and out effortlessly on a 21" slide, ideal for corner applications
- Low profile design gives more leg room
- Includes soft-touch padded wrist rest for keyboard and mouse
- Spacious 28w x 12.5d wood platform accepts standard or ergonomic keyboards
- Mouse tray attaches on right or left side
